2019 SURVIVOR POOLS

- Each pool player can play One, Two, or Zero Survivor Pools!!
- You must be in "Survivor" to, also, play in "Survivor II"
- The following rules apply to each Survivor Pool:
- You Pick ONE Team to win- Straight-Up each week.
- You may Pick Any Team only ONCE in the Year!

(You are responsible for keeping track of the teams you pick)

- Survivor One (1) : When you lose ONE game... You're OUT!
- Survivor Two (2) : When you lose TWO games... You're OUT!
- Final survivors losing last week (tie) keep playing
- Last One Standing wins the Pot!

The premise of the pool is simple: A pool member picks only one team each week. If they win, they move on to the next week. Once a member picks a team, they cannot pick that team again. The pool continues until only one member is left.
